21 On April 4, 2017, the parties appeared before the Court on various defense motions. The Court  
22 requested that the parties file status reports regarding the pending motions after Congress passed a  
23 spending bill. Congress has not yet passed a spending bill, but passage appears likely this week. After  
24 passage of any spending bill, the parties will have an opportunity to view the bill and then will be in a  
25 position to file the requested status reports with the Court. Accordingly, the parties jointly request that  
26 the Court permit them to file their separate status reports subsequent to passage of the spending bill, and  
27 as soon as the parties have been able to secure the legislation and review it. The parties anticipate that  
28 they will be able to file their status reports no later than May 12, 2017.
